**How risky is it?**

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

**Risk Rating**

CI Investments Inc. has rated the volatility of this fund as **medium**.

This rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the fund's returns, see the "What are the risks of investing in this Fund?" section of the fund's simplified prospectus.

**No guarantees**

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the money you invest.

## How has the fund performed?

This section tells you how Series A securities of the fund have performed over the past 8 years. Returns are after expenses have been deducted. These expenses reduce the fund's returns.

### Year-by-year returns

This chart shows how Series A securities of the fund performed in each of the past 8 calendar years. This fund series dropped in value in 1 of the last 8 calendar years. The range of returns and change from year to year can help you assess how risky the fund has been in the past. It does not tell you how the fund will perform in the future.

### Best and worst 3-month returns

This table shows the best and worst returns for Series A securities of the fund in a 3-month period over the past 8 years to October 29, 2021. The best and worst 3-month returns could be higher or lower in the future. Consider how much of a loss you could afford to take in a short period of time.

	Return	3 months ending	If you invested \$1,000 at the beginning of the period
<b>Best return</b>	11.5%	June 30, 2020	Your investment would rise to \$1,115
<b>Worst return</b>	-19.0%	March 31, 2020	Your investment would drop to \$810

### Average return

A person who invested \$1,000 in Series A securities of the fund on the series' start date would have had \$2,090 as of October 29, 2021. This works out to an annual compound return of 8.1%.

## Who is this fund for?

### This fund may be suitable for you if you:

- are willing to accept a medium degree of risk
- are seeking a regular source of income and the potential for capital appreciation
- are seeking to add global exposure to your investment portfolio
- are planning to hold your investment for the medium to long term

## A word about tax

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan, or a Tax-Free Savings Account. Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

## How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series A securities of the fund. The fees and expenses - including any commissions - can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

### 1. Sales charges

You can only buy Series A securities of the fund under the initial sales charge option.

What you pay		How it works
in per cent (%)	in dollars (\$)	
<b>Initial sales charge (ISC)</b>		
0% to 5.00% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	<ul style="list-style-type: none"><li>You and your representative decide on the rate.</li><li>The initial sales charge is generally deducted from the amount you buy. It goes to your representative's firm as a commission.</li></ul>

## 2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the series' returns.

As of September 30, 2021, the expenses of Series A of the fund were 2.38% of its value. This equals \$23.80 for every \$1,000 invested.

	Annual rate (as a % of the fund's value)
<b>Management expense ratio (MER)</b> This is the total of the series' management fee (including the trailing commission), administration fee and Certain Fund Costs.	2.38%
<b>Trading expense ratio (TER)</b> These are the fund's trading costs.	0.00%
<b>Fund expenses</b>	2.38%

### More about the trailing commission

The trailing commission is an ongoing commission. It is paid for as long as you own Series A securities of the fund. It is for the services and/or advice that your representative and their firm provide to you. CI Investments Inc. pays the trailing commission to your representative's firm (including a discount broker). It is paid from the fund's management fee and is based on the value of your investment.

Sales charge option	Amount of trailing commission	
	in per cent (%)	in dollars (\$)
<b>Initial sales charge</b>	0% to 1.00% of the value of your investment each year.	\$0 to \$10.00 each year on every \$1,000 invested.

## 3. Other fees

You may have to pay other fees when you buy, hold, sell or switch securities of the fund.

Fee	What you pay
<b>Short-term trading fee</b>	A fee of up to 2.00% of the value of securities you redeem or switch, if we determine that you have engaged in inappropriate short-term trading. This fee goes to the fund.
<b>Switch fee</b>	Your representative's firm may charge you up to 2.00% of the value of securities you switch to another mutual fund managed by us.
<b>Program minimum fee</b>	If you participate in one of our managed programs, we may charge you an annual fee of up to 0.15% of the net asset value of the applicable series of securities of the fund within the program, payable to us quarterly by the redemption of securities (without charges), if your investment is less than the program minimum.
<b>NSF cheque fee</b>	We will charge you \$25 if a payment for a purchase of securities is returned by your bank for any reason.

### What if I change my mind?

Under the securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual fund securities within two business days after you receive a simplified prospectus or Fund Facts document, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you will also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, annual information form, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.

For more information, see the securities law of your province or territory or ask a lawyer.
