IMPORTANT TAX NOTICE TO U.S. PERSONS WHO ARE UNITHOLDERS OF:
First Asset Morningstar US Momentum Index ETF (YXM, YXM.A)
(the "Fund")

PFIC Annual Information Statement for the year ended March 31, 2018

This statement is provided to unitholders who are "United States persons" for purposes of the U.S. Internal Revenue Code of 1986, as amended ("IRC") and the regulations thereunder. United States persons include U.S. citizens (whether or not they are U.S. residents), certain individuals with U.S. permanent resident status, U.S. corporations, and certain U.S. trusts and estates. Unitholders of the Fund should consult with a U.S. tax professional to determine whether they are United States persons.

The Fund may be considered as a Passive Foreign Investment Company ("PFIC") as defined in Section 1297(a) of the IRC for the year ended March 31, 2018. Therefore, United States persons who hold units of the Fund (the "Units") may be subject to the U.S. tax rules applicable to investments in PFICs.

If you are a unitholder who is a United States person, consider consulting a tax advisor concerning the overall tax consequences of your ownership of Units of the Fund and your U.S. tax reporting requirements, including the merits of the various available tax elections, such as the Qualified Electing Fund ("QEF") election. You can also find information on U.S. tax rules applicable to investments in a PFIC on the IRS website, www.irs.gov, by searching "Form 8621 Instructions".

Below is a PFIC Annual Information Statement ("AIS") for the Fund. The PFIC AIS has been prepared in compliance with the requirements under Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable U.S. investors to elect to treat the Fund as a QEF.

Generally, a QEF election is made using IRS Form 8621 ("Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund") and is filed for each fund for which you wish to make a QEF election. Where a United States person is a unitholder in a First Asset fund that holds other First Asset funds in its portfolio, that person is an indirect investor in the underlying funds, and is required to file a separate election form for each of the underlying funds. The attached information is designed to enable a unitholder to make a QEF election for both the directly held First Asset fund and the indirectly held underlying First Asset funds.

Please be aware that cash and property distributions reported on the PFIC AIS are converted into U.S. dollars based on the U.S. Federal Reserve spot rate in effect on the date the distribution is paid. Investors in the Fund who do not file U.S. federal income tax returns on a cash basis should consult their tax advisors regarding the appropriate U.S. dollar conversion rate.

Note that the information attached with this notice is intended to help unitholders who are United States persons make one or more QEF elections, if they decide to do so, and neither such information nor this letter constitutes tax advice.

Such unitholders should seek advice based on their particular circumstances from an independent tax advisor.

For further information, please contact your advisor, a U.S. tax advisor or the manager of the Fund, First Asset Investment Management Inc. at 1-877-642-1289 or info@firstasset.com.
