IMPORTANT DISCLAIMERS

Commissions, management fees and expenses all may be associated with an investment in exchange-traded funds (ETFs). You will usually pay brokerage fees to your dealer if you purchase or sell units of an ETF on recognized Canadian exchanges. If the units are purchased or sold on these Canadian exchanges, investors may pay more than the current net asset value when buying units of the ETF and may receive less than the current net asset value when selling them. Please read the prospectus before investing. Important information about an exchange-traded fund is contained in its prospectus. ETFs are not guaranteed; their values change frequently, and past performance may not be repeated.

The CI Exchange-Traded Funds (ETFs) are managed by CI Global Asset Management, a wholly-owned subsidiary of CI Financial Corp. (TSX: CIX).
